

BT Halo®

Make and receive mobile calls on your home phone

1. Make and receive all your mobile and landline calls from your BT Halo.

Connect up to 2 mobile phones via Bluetooth technology, to help avoid mobile signal drop outs as you walk around the house, all from the comfort of your BT Halo.

2. Block up to 100% of nuisance calls with Call Blocking Technology

Uses multi award winning trueCall technology to intercept callers not on your contacts or blocked list and puts you in control of who you speak to. Block international and Withheld calls and up to 1,000 numbers.

Blocking calls can be done in a number of ways:

Block by Number or by call type: The BT Halo blocks 1,000 individual numbers, meaning that you really can avoid speaking to the people you don't want to. Choose the type of calls you want to block. For example, mobile, international, withheld, unavailable or payphone numbers can all be blocked.

Block by call type: Plus you can even block numbers by location (i.e. Use the area code or a suffix).

Do Not Disturb: For those times when you just want some peace and quiet, switch on Do Not Disturb so that your phone won't ring or light up.

3. Sync and store your mobile contacts on your BT Halo

The BT Halo syncs and stores up to 2,000 of your mobile contacts onto your halo phone, so you always have your contacts to hand.

Other features

- Register 2 mobile phones at any one time
- Store 1000 numbers on your Halo contact list, plus 1000 contacts from each of your synched mobile phones (register 2 mobiles at any one time)
- Auto copy contacts between Halo handsets
- 1.8" Colour Screen
- Hands free speaker
- Record up to 60 minutes of messages
- Do not disturb mode
- Dedicated call blocking button for one touch blocking
- Outgoing call controls (PIN protect calls to premium / mobile numbers).
- Backlit keypad for easy dialling even in poor light
- Long range reception up to 300m outdoors, 50m indoors
- Up to 21 hours of talking and 240 hours on standby
- Easy access to BT calling features (Three way calling, call divert)

Product Specification

GAP compatible	Yes	Hands free	Yes	Text message memory	40
