

Power Efficiency info

Product Name: BT Wi-Fi Disc

Power supply unit information

British Telecommunications plc, EC1A 7AJ, UK. Company number 1800000	
Model Number	S024AWM1200200
Input voltage (V)	230
Input AC frequency (Hz)	50
Output Voltage (V)	12.0 \pm
Output content (A)	2.0
Output power (W)	24.0
Average active efficiency (%)	87.52
Efficiency at low load (10%)	84.69
No-load power consumption (W)	0.05
